Contributors

Jagat Bandhu John Gross, PhD, began practicing Ananda Marga meditation in 1973. He has taught Yoga and meditation in a variety of venues, including prisons ranging from a minimum-security state facility to a medium-security federal prison. He is trained as an economist, with a BA from the University of North Carolina and a PhD from the University of Michigan.

Shannon Bennett, MA, is a doctoral candidate in clinical psychology at Boston University and is currently completing her dissertation research at the UCLA Semel Institute for Neuroscience and Human Behavior. She is also working toward her 200-hour Yoga teacher certification and has taught Yoga classes for both adults and children. Her primary areas of research and clinical interests include cognitive-behavioral and mind/body interventions for emotional disorders, including anxiety, depression, traumatic stress, and complicated grief.

Loren M. Fishman, MD, is an Assistant Clinical Professor at Columbia College of Physicians and Surgeons in New York. He has practiced Yoga daily for 36 years and has been using it in therapy since medical school, writing articles and books that explore evidence-based and personal experience-based virtues of *āsana* for prevention, treatment, and cure of musculoskeletal problems.

Bo Forbes, PsyD, E-RYT-500, is a clinical psychologist, Yoga teacher, and Yoga therapist who founded and supervises the Center for Integrative Yoga Therapeutics in Boston. Her co-authors, **Ceylan Akturk**, **Clementine Cummer-Nacco**, **Pam Gaither**, **James Gotz**, **Alice Harper**, and **Katherine Hartsell**, are Yoga teachers and Yoga therapists at the Center who contributed the clinical case anecdotes to the article. For more information on the Center for Integrative Yoga Therapeutics, visit www.elementalyoga.com.

Dr. David Frawley (Pandit Vamadeva Shastri) has a 30-year background in natural healing and Vedic knowledge, including the systems of Ayurveda, Chinese medicine, Western herbalism, and Vedic astrology. He is the author of over twenty books and three courses on Vedic subjects in-

cluding Ayurveda and Yoga. He is the founder and director of the American Institute of Vedic Studies (www.vedanet.com) in Santa Fe, NM, and also teaches in Europe and India through several affiliated schools that he has founded.

Susan Genis, RYT, formerly an Assistant District Attorney in New York City, has been practicing Yoga for 15 years and teaching since 2001. She teaches Anusara-inspired individual sessions and classes in New York, with a special focus on creating a safe and enjoyable practice seniors and beginners.

Marc Halpern, DC, CAS, PKS, is a chiropractor and Western pioneer in the field of Ayurvedic medicine. He is the founder and president of the California College of Ayurveda, the oldest professional Ayurvedic training program in the West. He is also a founding director of the National Ayurvedic Medical Association and the California Association of Ayurvedic Medicine, and has self-published two textbooks in Ayurvedic medicine.

Sat Bir Khalsa, PhD, has practiced a Kundalini Yoga lifestyle for over 35 years. He is currently the Director of Research for the Kundalini Research Institute, Research Director of the Kripalu Center for Yoga and Health, and an Assistant Professor of Medicine at Harvard Medical School at Brigham and Women's Hospital in Boston. His research interests are in basic and clinical evaluation of the efficacy of Yoga and meditation practices, including studies on Yoga interventions for insomnia, music performance, and public schools.

Pashupati Steven Landau, MD, E-RYT, is board-certified in family practice and also in holistic medicine. He is in private practice in Smithfield, NC, and is an attending family physician at Johnston Memorial Hospital. He is the president of the U.S. chapter of AMURT, the Ananda Marga Universal Relief Team, and leads yearly medical mission trips with AMURT to Haiti, Lebanon, and other distressed areas. He has practiced Ananda Marga meditation and Yoga since 1971, served as a member of the Yoga Alliance Board of Directors from 2002-2008, and is a trainer for the Shiva Dancing School of Yoga (RYS-200) in Raleigh, NC.

Vandita Kate Marchesiello, E-RYT, is the director of the Kripalu Yoga Teachers Association. She has been leading workshops, classes, and training programs for more than 30 years.

Peter William McCarthy, PhD, is a clinical scientist and professor holding Honorary Fellowships from the British and European Chiropractic Associations. He is also a Regional Fellow of the Royal Society of Medicine and has published research widely in clinical and scientific journals.

Jani Mikkonen is a chiropractor in private practice in Helsinki and Espoo, Finland. He also teaches Yoga classes for spine-related conditions. He is currently deepening his Yoga studies in a KHYF teacher training. www.selkakuntoutus.fi.

Eva Norlyk Herriott, PhD, LMT, RYT-500, holds a doctorate in psychology and has been a student of meditation and Yoga for more than 30 years. She is a health writer and Yoga therapist and is, together with Terry Smith, PhD, co-developer of a series of therapeutic Yoga courses and DVDs on back health, and co-author of a forthcoming book on Yoga for back and posture health. www.YogaforaHealthyBack.com.

Stephen Parker, PsyD, LP, E-RYT-500, is a licensed psychologist at Northland Therapy Center in St. Paul, MN, and serves as an adjunct Assistant Professor of Counseling and Psychological Services at Saint Mary's University of Minnesota, and adjunct Assistant Professor for the School of Professional Psychology, University of St. Thomas, in Minneapolis. Dr. Parker has been a disciple of Swami Rama of the Himalayas and Swami Veda Bharati since 1971, and he serves as a senior faculty member of the Himalayan Yoga Tradition Teachers' Training Program. He is on the faculty of the Meditation Center in Minneapolis and the Swami Rama Sadhaka Gram and Sadhanamandir ashrams in Rishikesh, India.

Neil Pearson, MSc, BScPT, BA-BPHE, works as a physical therapist, Yoga therapist, researcher, and educator focusing on effective pain management. He is on the Clinical Faculty at the University of British Columbia, the founding chair of the Pain Science Division of the Canadian Physiotherapy Association, and a consultant to Orion Health Pain Clinics. www.lifeisnow.ca.

Palle Pedersen, DC, MPhil, DPMSA, is a chiropractor with 22 years of clinical experience, including 15 years of teaching chiropractic and clinical subjects at the college and university level. He has written a number of scientific papers and presented at and organized international conferences. www.healtheducationalresourcesonline.com.

Ellen Saltonstall is a certified teacher of both Anusara Yoga and Kinetic Awareness with a specialty in therapeutics and over thirty years of experience. She teaches classes and privates in her studio in NYC, as well as teacher trainings and workshops locally and internationally. Ellen has recently co-authored two books with Loren Fishman, *Yoga for Arthritis* and *Yoga for Osteoporosis*. www.mohiniyoga.com.

Terrance R. Smith, PhD, LMT, RYT-200, holds a doctorate in manual therapy. He has practiced Yoga extensively for more than 30 years and completed his 200-hour teacher training in Anusara Yoga. With over 15,000 client hours, he has developed a unique approach to Yoga therapy integrating osteopathic manipulation and deep tissue release. He is co-developer of a series of therapeutic Yoga courses for back health. www.YogaforaHealthyBack.com.

Jennifer Taylor, MSW, CMP, RYT, has a Masters of Social Work with a focus in end-of-life care, two certifications in harp therapy for end of life, and is an Integrative Yoga Therapy therapist. She owns Transitional Yoga in Scottsdale, Arizona, where she sees private students. She is also co-owner of Dynamic Systems Rehabilitation, a Yoga-based physical therapy clinic.

Amy Weintraub, MFA, E-RYT-500, author of *Yoga for Depression* (Broadway Books) and founding director of the LifeForce Yoga Healing Institute, is an internationally known leader in the field of Yoga and mental health. She leads professional certification trainings in LifeForce Yoga for Mood Management and speaks at medical and psychological conferences. www.yogafordepression.com.

Angela M. Wilson, MA, is the Research Coordinator at Kripalu Center for Yoga and Health. She obtained her Master's in general psychology from Boston University, where her primary interest was the psychology of religion. Currently, she is working toward a Master's in Mental Health Counseling at Lesley University, and hopes to bring mind/body interventions to clinical work. She has been practicing Yoga and meditation for seven years.
